IMPORTANT INFORMATION FOR YOUR RENTAL

Please remember that, to collect your car, you must present the following documents and meet the minimum rental requirements:

- The driver must be at least 25 years old (21 years old with the young driver surcharge).

- An identity document and tax identification code for each registered driver.

- A driving licence for each registered driver, valid in Italy for at least 12 months. Customers who are not resident in Italy must hold a licence valid for international use or one translated by an embassy or equivalent authority, and legible in Latin characters.

- A Visa, American Express or Mastercard credit card in the main driver's name, with embossed numbers, for the guarantee/deposit; alternatively, a Visa or Mastercard debit card. On request, the security deposit may be provided using prepaid/electronic cards, cash or a bank cheque, at the rental office's discretion. Ask the office for the amount.

- The card deposit guaranteeing the rental is equal to the rental rate plus a minimum security deposit ranging from €300.00 to €700.00.
